Reflection

No image of God gives us a complete picture, but each offers a valuable insight into God and our relationship with God. We understand that Jesus is the fulfilment of the Hebrew Scriptures, and the image of Jesus the Good Shepherd gives many a deep sense of comfort and security. What particular images of Jesus have you found most helpful to you in your faith journey? As we travel our journey of faith, many people will have guided us and protected us. Can you recall the special people in your life, the attributes that they had and how they used their gifts to care for you and others? Jesus assures us that as his followers we will have life to its fullest, and for many in our society today this is a vain hope. How would you describe 'life in its fullest' to someone? During the coming week seek our opportunities to protect or shepherd someone who might be feeling a bit lost or helpless.
